		Room 402		

WUF9 YOUTH SESSIONS

VENUE: KUALA LUMPUR
HOST: GOVERNMENT OF MALAYSIA

27	**Using Data and Technology to Build Inclusive Public Spaces in Cities**	Monday 12 February	14:00 - 15:00	Safetipin is a technology platform that is being used in cities around the world to collect user generated as well as large scale data on key parameters in assessing safety(with a focus on women's safety) and inclusion in public spaces in cities. The parameters that Safetipin measures focus both on infrastructure as well as social factors that affect usage of public spaces. Since its inception in 2013 Safetipin have collected data in 30 cities in India and globally. In each city, data has been collected with women and youth involvement in order to hear the voices and understand the concerns and perspectives of vulnerable populations living in cities.
		Room 304		
28	**The Role of Music in Achieving Our Sustainable Development Goals**	Monday 12 February *Urban Library*	09:00 - 11:00	Music is a global unifying force and our only genuine global language. Yet, it's power to support and sustain development, public health, sustainable tourism, poverty reduction and social inclusion is not fully understood. Globally, music is doing this, but understanding its role in the sustainable development goals, and how alongside culture it can be a tool to further global peace, prosperity and poverty reduction requires further analysis.
29	**Children and Youth**	Monday 12 February	14:30 - 16:30	**Stakeholder's Roundtables**
